

THE YELLOW ROLLS-ROYCE

PRICING STRUCTURE:

This 1939 Rolls-Royce Wraith 7 passenger limousine rents for \$200.00 per hour on Fridays, Saturdays and Sundays, for any celebration that you might wish to contemplate. Rates for Monday to Thursday are \$175.00 per hour.

For younger persons wishing to attend a prom or graduation ceremony the fee is \$100.00 per person.

After you have negotiated the date and time of your occasion by telephone or email contact you may pay the initial non-refundable deposit of \$100.00 by certified cheque or bank draft. Place your deposit together with

the reservation card in one of the self-addressed, stamped envelopes enclosed in your information packet and mail it to us.

Once we receive your deposit by mail your reservation is firmly booked. We will send you an acknowledgement of our contract that indicates the particulars that you have requested for your occasion. The second self-addressed stamped envelope is provided for you to tender the balance of payment on your account exactly one month before the date of your booking. Your reservation will not be finalized until the 'balance due' has been received. If that balance is not forthcoming the earlier deposit of \$100.00 is non-refundable and your

reservation will be cancelled. Please note that only certified cheques or bank draft will be accepted as valid methods of payment.

Below is a tear off portion that you should include with your \$100.00 non-refundable deposit in the self-addressed, stamped envelope provided for your convenience.
